tamarind news

The Tamarind team planned and executed a glorious, 950 pax wedding in the Kingdom of Bahrain. The first of its kind in this small Gulf country the event created ripples in the media as well. A gala singer evening was held on the eve of the wedding. The guests were made even more special with the electric performance from the versatile duo, Sultan and Sultana.

A corporate retreat in Moscow took our team to Russia in April. Coupled with the beautiful historical and heritage locales, and the exquisite cuisine, there were plenty of fodder for the mind as well.
